## **Work experience**

2019-July 2020: Worked in construction. (Copenhagen, Denmark)

2018: Servicekraft at MaLoa, PokéBowl restaurant in Berlin for two months from September to October. My task was only to attend clients but I also fixed technical-mechanical problems when necessary for the work to keep going. I was also in charge of ordering food every day, checking the shipments, organizing the rest of the crew and of course also attending customers at the front (Berlin, Germany).

2018: Animal care, house painting and general repairing at Ebbinghausen, Lichtenau. I volunteered during the whole month of August to help an animal shelter open (Ebbinghausen, Paderborn, Germany)

2018: General maintenance technician at Huba Huba beach bungalows and restaurant for 5 months in Cambodia. My main task was to give electrical power to the business and to take special care of the electrical generators in the Asian jungle. I also improved plumbing system, repaired damaged buildings and we built five new bungalows (Koh Rong Samloem Island, Cambodia).

2017: Front desk at Samsen 360 Hostel for 3 months. I improved the guests attention by speaking to them in their mother tongue language. People always come back because they feel comfortable. I was a big relief for the owner because I'm always available for extra-hours. I take care of the guest when the current worker is gone for some minutes and I'm close to the reception. (Bangkok, Thailand)

2017: 2 months Thai cuisine kitchen-hand. Traditional cooking, author cooking, preparations, organizing events and assisting in the cooking courses chef was giving. (Bangkok, Thailand)

2017: Hostel front of desk (BaanBangkok hostel) in the central area of Bangkok for 3 month (I left it to continue traveling). I was in charge of organizing the database, setting up the different booking websites and welcome guests from everywhere, speaking in their languages if possible. (Bangkok, Thailand)

2017: Volunteer as English teacher for 4 months. We focused on conversation and

presentation. Students were mainly Latin and Asian tourists who didn't have any previous knowledge about it. We mainly focused on conversations as it's the most used area. (Tauranga, New Zealand)

2014-2015: Team leader in network marketing business. Multi-level sales, training of sales agents in coaching, communication skills, and persuading customer to acquire products. (Buenos Aires, Argentina)
